Phishing & Pharming

Just Eat 'phishing' scammer Grant West jailed

🕒 25 May 2018

A computer hacker found with the personal data of about 165,000 people and described as a "one man cyber crime wave" has been jailed.

Grant West, 26, from Sheerness in Kent, sent "phishing" emails pretending to be from Just Eat and extracted the details of 63,000 credit and debit cards.

Newcastle school targeted in fees phishing scam

🕒 20 January 2019

Fee-paying schools were targeted in a cyber attack which accessed parents' email addresses, it has emerged.

Fraudulent emails sent from school accounts offered a 25% discount on fees for paying quickly via the **Bitcoin** cryptocurrency.

Newcastle's Royal Grammar School warned parents of the "sophisticated attack". It has been approached for comment.

Phishing & Pharming

The image shows a browser window displaying a phishing website. The address bar at the top shows the URL `paypal-hilfeservice.com/de/news/dp/B0028YZ758/ref=sr_2_home&locale/sicherheit/umstellung`, which is circled in red. Below the address bar, the site name `PayPal, Inc. (US)` is also circled in red. A red box highlights the main content area of the page, which includes the PayPal logo, navigation tabs like `Mein Konto` and `Geld ein`, and a login form with fields for `Nachname`, `Geburtsdatum`, `Kartentyp`, and `Kartennummer`. The login form also features a `Neu anmelden` button and a `Willkommen bei PayPal!` message.
