

Computer Networks

Create a presentation about networks

1. Title slide
2. What a network is/why do we use them
3. Wired networks
4. Wifi networks
5. Bluetooth networks
6. Mobile data networks
7. Why are networks a good thing?
8. What problems are there with networks?

Title, text and 1 image on each slide
Less than 50 words a slide
Style matters
