

Band logo

The Flaming Guitars would like a cool logo.

This will go on the cover of their debut album, but will also be used on merch, on their website and anywhere else they can put it.

Band logo

The logo needs to:

- use a cartoon style electric guitar
- add cartoon style flames to it
- have a transparent background
- be as big as possible
- have the letters TFG on it in a “cool rock and roll font”
- use copyright free images

Band logo

Make the logo. Add it to the back of the CD cover.
