

Peat & Diesel

Uptown Fank

Well Coves and Blones (Translation – 'Boys and Girls'), this here is our album. How it ever got this far we have no idea. It's not everyone's Cupan tì, but the ones that understood exactly what was going on inside this Cupan tì at the very beginning are the ones that have given us the 'get up and go' to get it done!

TRACKS

1. COUNTRY BOY

– if you are a country boy then this is the song for you

2. LOCH MAREE ISLANDS

– it would have been crazy to release our first album without having this well known song aboard

3. HEORNA MHÒR

– written up the back of the bus heading for Stornoway after a Carloway session

4. SAY YOU LOVE ME

– another popular sing along which just had to come with us

7. WESTERN ISLES

– if you come from the western isles then you should be proud of what we have here, a good place with good people

8. PLATE FULL OF SGADAN

– a song about herring and black pudding written by Mac' a NooNoo, a talented Stornoway cove that gave us 'GOOT' inspiration over the years, a true legend.

– a song about an old plumber from Ranish, a distant cousin of boydie's and just as much of a character.
