True or False?

9. The school can see all of your e-mails, even ones that you have deleted

True or False?

9. The school can see all of your e-mails, even ones that you have deleted

True. All of them. Every single one

True or False?

11. If you type certain words on your computer we are alerted to this

True or False?

11. If you type certain words on your computer we are alerted to this

True. We are alerted if someone types swear words, words linked to things that are illegal or words used in bullying

True or False?

12. It's easy to report an e-mail that you receive that contains nasty messages

True or False?

12. It's easy to report an e-mail that you receive that contains nasty messages

True. Just use the Report Concern button on the screen. It will even take a screenshot for you

If you're at home, show an adult or e-mail a teacher

True or False?

13. E-mail stands for electronic mail

True or False?

13. E-mail stands for electronic mail

True

True or False?

14. No one really knows when the first e-mail was sent

True or False?

14. No one really knows when the first e-mail was sent

The first messages sent between users on the **same** computer happened in the early 1960s (certainly by 1965)

Messages were being sent on military networks from 1962

Messages were being sent between users on **different** computers using ARPANET (the early internet) by 1971

E-mail **inboxes** first appeared in 1972
