

Jobs presentation

Task: create an **interactive** presentation about the jobs you identified last lesson.

The presentation needs:

- 4-5 slides - 1 for a title page and 1 for each job
- buttons to navigate around
- text and an image on each job slide
- to be locked down so only the buttons can be used

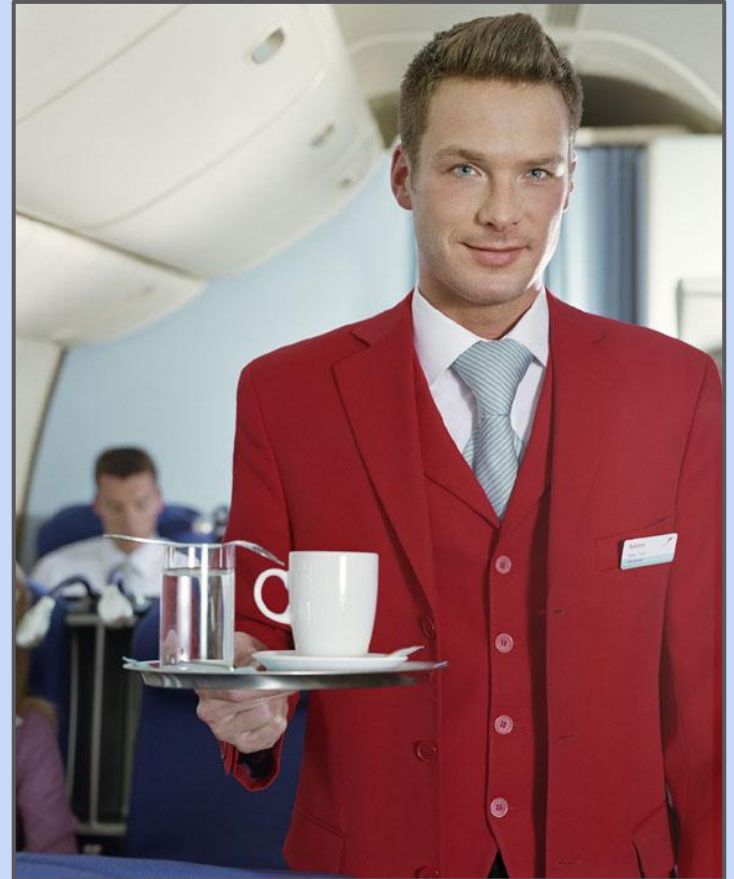

Cabin crew

The job of a flight attendant involves...

It has good pay but the hours are interesting. You need to be able to ...

Being able to speak different languages is helpful...

I would like to do this job because...

[Back to homepage](#)

Jobs presentation

- Buttons need to be hyperlinked
- Presentation needs to be set to **browse at a kiosk mode**

(this means you can't move slides with the mouse or keyboard; you must use the buttons)

- Needs to look good
